GENERAL ADVICE FOR RESIDENTS ON RACE DAY

- If it is possible, please plan any journeys around the times that runners are out on the road.
- If you need to make a journey, please proceed with caution. Our marshals will help you to drive onto the course safely. Look out for runners and marshals on your route.
- Allington Lane residents should have a marshal at the end of their drive who can assist you to access or leave your property safely.
- If in any doubts, find the nearest marshal and they can give you further advice.
